Italian industrial exhibition in Kurdistan

3/9/2007

A press conference was held in Shiraton Hall in the city of Hawler on Monday to officially declare the place and date for opening the Italian industrial exhibition.

At the press conference, attended by the representative of Italian embassy to Iraq, it was announced that more than 80 Italian investing companies will be involved.

"The aim behind opening this exhibition is to show that Kurdistan has developed in terms of technology, private sectors and building the infrastructure of Kurdistan region.

The exhibiting will be opened from September 6 to September 10 in which the involved companies show their products in various aspects such as architecture, electricity, medical equipments and agriculture.

On this Day
